Co-op Local

Community Fund

We are very excited to announce that Leadhill has been selected as a cause for the Co-op Local Community Fund. The Fund helps to support local projects selected by Co-op members. Since its launch in 2017, Co-op members have raised £39 million pounds for over 12,000 local causes. We are thrilled that Leadhill has been selected for this funding. Our successful project is a community garden, which we hope will help to promote intergenerational working and benefit our school and local community.

Every time members shop at the Co-op, 1% of what they spend on Co-op branded products and services helps fund community projects. Members can shop at any Co-op Group stores across the UK to raise money for our cause.

Members can choose which causes to support by signing into their membership account or by calling the membership helpline on **0800 023 4708**. Our cause will be available for members to select until **November 2019**. Anyone can become a member by creating a membership account.

We would love all of our families to share this message with family and friends—even relatives in the rest of the UK can select our cause and contribute to our fund.

Walking Bus

Thank you to everyone who took part in our Walking Bus on Friday. Walkers braved the damp weather, with their sights set on the celebration breakfast at the end of the walk!

We will be holding a Walking Bus event on the first Friday of each month. Our next date is Friday 7 December. Wrap up warmly!

PTA Volunteers

Our PTA are looking for volunteers to help with events throughout the year. A letter is being distributed today asking parents to indicate willingness to help and availability. The more volunteers we have, the less work each one has to do! Your help will especially be appreciated in preparation for the Christmas Fair.

NSPCC Internet Safety Parent Course

Keeping children safe on-line is a concern for all of us. In the run-up to Christmas, when lots of new electronic devices may arrive in your households, we are running a parent internet safety workshop on Thursday 22 Nov @ 9:15. This informal session will last approximately 1 hour and refreshments will be provided. If you can attend, please confirm this by emailing Mrs Millis on amillis370@c2kni.net, before Tuesday 20 Nov.
