Parent Welcome Meetings

Thank you to all our parents who were able to attend our class welcome meetings this week. We realise that it can be challenging for parents to get the time off other commitments in order to attend events at school.

If you were unable to attend the meetings, teachers will be sending home the information that was discussed as well as a selection of forms we need you to complete. The white documents are for you to retain for information, the coloured documents need to be returned to school before Friday 21 September. Please speak to teachers if you have any questions about this content.

Highland Dancing

We have been fortunate to receive a grant from the Ulster Scots Agency, enabling us to provide dancing lessons for all the children in the school. This term, we will be offering dancing to P2, P3, P4 and P6. The rest of the school will have their dance sessions after Christmas.

In the past, this has been a super addition to our PE curriculum and the children have really benefitted from the sessions. Towards the end of the term, we will be offering family members the opportunity to come along to watch some of the dances the children have been learning.

PTA AGM

The PTA in Leadhill is a vital part of our school community, not only helping to purchase valuable equipment, but also organizing social events for both children and parents.

Our first meeting of the year will take place on Tuesday 25 September @ 7pm in the staff room. We would specially like to welcome our new parents to come along.

Our PTA meet on around 6 occasions in the year. Getting involved does not mean that you necessarily have to take on a job- we welcome all levels of involvement! Why not come along and help us plan for the exciting events for 2018-19 while getting to know other parents in the school.
