## Harvest Service

Our school Harvest Service will be taking place on Wednesday 17 October at 10am.

In Leadhill, this service has traditionally been for Grandparents and 'older' relatives or friends, giving us an opportunity to celebrate the contribution these people make to the lives of our pupils. We are conscious that not all families have Grandparents or 'older' relatives and friends who can attend, so while we generally request that parents do not attend this event we will not be turning anyone away who wants their child to have someone special in the 'audience'. Refreshments will be provided after the event by our PTA.

At our Harvest Service we always support the Salvation Army with gifts of food. **We ask that each child brings in a contribution of a packet of biscuits, tin of food or other non-perishable food items.**

## Outstanding Forms

We still have a number of outstanding Flu Vaccination forms. Please ensure that all forms are returned to school as soon as possible.

We also have a number of families who have not returned their paperwork for 2018-19. Additional copies have been sent to families who have not returned their forms. Please ensure that these are completed and returned to school by the end of the week.

## Naming Belongings

We have a large number of items of lost property, including drinks bottles, lunch boxes, coats and items of uniform. All these items have been closely examined and no names can be found.

Please ensure that all your children's belongings are clearly named. This will ensure that lost items are returned to owners as quickly as possible.

Mrs Millis is going to display the identifiable items in the PE Hall throughout the week of Parent Teacher Meetings. It would be helpful if parents could check to see if they can identify lost items. We will also be running a second hand uniform sale, with the proceeds going to our PTA.

## Cross Country Team

Well done to our first Leadhill Cross Country Team, who took part in the first Heat of the Flahavan's School League. The team did a super job, showing great perseverance and supporting each other. Mrs Millis was very proud! The team for the race was made up of Mark Harrison, Andrew Crothers and Elizabeth Crooks from P5, Matthew Aitken, Connie Rodgers, Alastar Thompson, Megan Mitchell and Rebekah McFedries from P6 and Zuzia Kowalska, Emily Barr, Josh McPherson and Jonny Shaw. All of the children who have been taking part in the training sessions have been making great improvements, and seem to be enjoying the sessions. Well done everyone!

Issue 6 – Wednesday  
10 October 2018

### School Dates
